

SCANDINAVIAN MICRO SYSTEMS

NAUTICAL SYSTEMS AND SOLUTION PROVIDER

www.scansys.no

Scandinavian Micro Systems is an Electronic Systems Integrator and Manufacturer of Navigation Instruments and Guest Infotainment Systems.

We provide special systems and solutions for Navy & Coast Guard, such as Synchro RTUs

We also supply integrated navigation and communication systems, representing major suppliers such as Raytheon Anschutz, Simrad, JRC/Alaphatron Marine, Sagem, Sailor & Intellian.

CAGE Code: 3COR3 DUNS : 959320367

PAST PERFORMANCE

Department of the NAVY

of Contracts: 16 Total Contracting Actions
Top Office: Military Sealift FLT Support Command
Details on FPDS.gov: [NAVY Contracting History](#)

U.S. Coast Guard

of Contracts: 3 Total Contracting Actions
Top Office: Base Seattle
Details on FPDS.gov: [USCG Contracting History](#)

Maritime Administration

of Contracts: 1 Total Contracting Actions
Top Office: DOT Maritime Admin.
Details on FPDS.gov: [Maritime Admin. Contracting History](#)

CORE COMPETENCIES

Own products:

SR01-Digital Heading Repeaters and Signal Converters

Ref older models: LR40 & LR60

SR02—Optical Bearing Devices (OBD)

Optical Bearing Devices (OBD) integrates with most ECDIS models for Fast and Accurate Optical Position Fixing.

SR03 Signal Converters

Universal NMEA to Step & Synchro Converter for driving old style Mechanical Repeaters

SR04 Synchro RTU units and Systems

Dual Digital to Synchro units with NMEA and Ethernet interface for Roll, Pitch and Heading. Solutions for complex Retransmission Units (RTU)

Major international suppliers:

Gyro and Steering Systems

- ✓ Standard 22, Standard 30 Compass Systems
- ✓ NautoPilot 5000 series and SIMRAD AP series
- ✓ SAGEM BlueNaut® & Ring Laser Systems

Radars, INS (IBS) & ECDIS solutions—Weather Stations

- ✓ Advanced INS / IBS systems from Raytheon Anschutz.
- ✓ NautoScan MX Radar from Raytheon Anschutz
- ✓ ECIDS 24 integrated with our OBD
- ✓ SIMRAD & JRC Radars
- ✓ Observer Weather Instruments

Communication Systems

- ✓ V-SAT & TV-SAT systems
- ✓ SCANSAT Air-Time in cooperation w/ SATCOM GLOBAL
- ✓ Iridium Certus & Fleet Broad Band, L-Band
- ✓ Onboard Communication and AV systems
- ✓ Sound Reception System.

Security Systems

- ✓ GMDSS systems
- ✓ Bridge Watch Alarm System (BNWAS)
- ✓ CCTV Security Systems

DIFFERENTIATORS

- ✓ Established in 1976, we provide over 40 years of expertise in the marine industry.
- ✓ Extensive experience contracting with various government agencies.
- ✓ We offer **Global Shipping** and have locations in the United States, London UK, and Oslo Norway.
- ✓ We offer **Custom Solutions** and system development for situations where COTS solutions are impractical.
